"The Caribbean Community Sports Professionals & Experts' LinkedIn"

Are you from the Caribbean Diaspora and a Sports Professional in areas such as Education, Coaching, Sports Science, Sports Medicine, Research, Sports Business, Broadcasting, Athletic Scholarships and many more areas, who want to contribute to the development of the region's athletes and ever-expanding range of sport products? Well, the Caribbean Association of National Olympic Committees (CANOC) is the perfect place to do so.

CANOC is taking up the challenge to establish a database of Caribbean sports professional and resource personnel, at home and in the Diaspora, that brings together in one accessible place, the wealth of talents and services available to us. The region's best sports talent must be brought to bear on the advancement of our Caribbean Sports products and services amongst our peoples.

CANOC wants to hear from those at home and abroad who would like to use this platform to offer their talents in the service of the region's broader sport development process

If you would like become a part of this Caribbean sports network or have any questions please contact the CANOC team at admin@canoc.net or simply submit your information directly to link: <https://form.jotform.com/CANOC/caribbean-sports-professionals>. This is an inclusive community with an international grouping of like-minded Caribbean sports persons who wish to be a part of the network.

CANOC looks forward to collaborating with you.
